INSTRUCTIONS TO CANDIDATE

1. In this assessment, you will be required to perform the following task:

Read the information provided and carry out the task below;

Substance and drug abuse is increasing in Kenya and especially among the youth. Current statistics indicate that more than half of drug users are aged 10-19 years. Most studies done in the country indicate that the commonly used drugs are nicotine, alcohol, and cannabis. This data has prompted the National Authority for the Campaign Against Alcohol and Drug Abuse (NACADA) to organize a campaign to control the usage of drugs among the youth.

Task 1: Prepare a community awareness plan on drugs and substance abuse for youths. Use the following guide for sections: Title, Goal, Objectives, Activities/strategies, Stakeholders, resources and timeframe.

This paper consists of TWO (2) printed pages.

Candidates should check the question paper to ascertain that all pages are printed as indicated and that no questions are missing
