SECTION B (60 MARKS)***Attempt question 11(compulsory) and Any other TWO questions in This Section*****11. Read the case study below and answer the questions that follow**

Watoto Rescue Center is an organization that deals with offering protection to children, support in education, creation of awareness to community members, handling cases on violation of child rights, and giving referrals to children who have cases that are beyond the rescue Centre. All these activities involve documentation and storage of data according to the organization's policy. All these are governed by the Data Protection Management Act which ensures that the information of a child is protected and does not infringe on their rights. This is done by making sure that there is parental consent when carrying out activities involving children for example receiving reproductive health talks and taking pictures of those below 15 years among others. You are an intern in this organization and you have a keen interest in ensuring that this child policy is adhered to.

a) Explain FIVE ways through which you would ensure that information is protected. (10 Marks)

b) Describe FIVE documents that are used in child welfare programs. (10 Marks)

12. You are currently working as a Children's Officer and have been nominated to give a talk on the Children's Act 2022, which was passed to promote child rights and welfare, during the celebration of the Day of the African Child.

a) Explain FIVE provisions on children's rights according to this Act. (10 Marks)

b) Describe FIVE significant areas of a Child's Right concerning Child protection and welfare. (10 Marks)

13. Child rights are violated in many ways. In the event of these violations, a social inquiry is done to ensure proper handling and reintegration of the child into the family.

a) Describe FIVE ways through which the Rights of a child may be violated. (10 Marks)

b) Explain FIVE importance social inquiry in child welfare and protection. (10 Marks)

14. In Child protection, follow-up activities entail having an individualized Care and treatment plan.

a) Outline FIVE significances of an individualized care and treatment plan. (10 Marks)

b) Explain FIVE roles of stakeholders in Child Welfare programs. (10 Marks)
