**INSTRUCTIONS TO CANDIDATE:**

There is low turnout of Antenatal Care Clinic (ANC) attendance in your Community Health Unit (CHU). As an Assistant Community Health Officer, you have been tasked to train Community Health Promoters (CHPs) in your CHU on advocating for ANC attendance to improve access to ANC services.

1. You are required to perform the following tasks;
  - i. Task 1: Prepare for the training.
  - ii. Task 2: Train Community Health Promoters (CHPs) on preparation of an advocacy plan.
  - iii. Task 3: Train the Community Health Promoters (CHPs) on FOUR benefits of advocacy.

- iv. Task 3: Train the Community Health Promoters (CHPs) on THREE resources required during advocacy.
  - v. Task 4: Train the Community Health Promoters (CHPs) on FIVE strategies that can be employed when conducting advocacy for antenatal care clinic services access.
2. You have been provided with the following resources for the practical tasks:
- Simulated Community Health Promoters (CHPs)
  - White board/flipchart
  - White board marker and eraser
  - Foolscaps
