SECTION B (60 MARKS)***Attempt question 11 and ANY other TWO questions in this section***

11. Mueri Wila is a twelve-year-old girl living in a local mental health institution, a place filled with both hope and sorrow. She battles bipolar disorder, a condition that dramatically alters her emotional landscape, causing her to experience intense highs and devastating lows. At this moment, Mueri is facing a troubling array of symptoms; she struggles with shallow breaths that betray her anxiety, her school performance has plummeted, and she is haunted by vivid nightmares that steal her sleep. Mueri often finds herself on the brink of tears, her emotions raw and accessible, and she is easily set off by the smallest provocation. Recognizing the depth of her struggles, her guardian has made the difficult decision to seek help from child welfare services, hoping to provide Mueri with the support she desperately needs.

- a) Prepare an Individual Care Plan for Mueri Wila (8 Marks)
- b) Discuss FOUR importance of an Individualized Treatment Plan (12 Marks)

12. A social enquiry is an approach used to investigate a child and their interactions within the family and outside of the family.

- a) Explain FOUR factors to consider when conducting a social enquiry. (8 Marks)
- b) Discuss FOUR significant aspects of formal child protection. (12 Marks)

13. Child protection activities are actions and interventions aimed at preventing and responding to the abuse, exploitation of children. It also involves monitoring of child protection activities.

- a) Explain FOUR importance of documentation in child welfare programmes. (8 Marks)
- b) Describe FOUR important aspects of monitoring child protection activities. (12 Marks)

14. Documentation is an important aspect in child welfare. It involves filling and storage for future reference.

- a) Explain FOUR importance of documentation in child welfare programmes. (8 Marks)
- b) Discuss FOUR ways documents are stored in child welfare programmes. (12 Marks)
